Important information relating to notices of meeting and annual reports

Notice of meeting

Following the passing of the Corporations Amendment (Meetings and Documents) Act 2022 in February 2022, Galan will now issue notices of annual and general meetings electronically. This applies where a shareholder has provided a valid email address or has not made an election. Paper copies will still be sent to shareholders if they have elected to receive a paper copy of these documents.

If you wish to receive paper copies of notices of meetings please update your preferences at <https://www.advancedshare.com.au/Dashboard/Company-Communication-Update?Conum=729> or by contacting Advanced on 1300 1134 258 (Australia) or +61 8 9389 8033 (International). Alternatively, if you currently receive paper copies of notices of meeting and would prefer to receive them electronically, you can update your preferences using the same process.

Annual reports

Shareholders can also elect **not** to receive an annual report. An electronic copy of all annual reports and notices of meeting are available on our website <https://www.galanlithium.com.au>
